

MEMORANDUM

To: Indoor Cricket State and Territory Contacts

From: Sarah Harris

c.c. Briana Binch, Vanessa Lewicki, John Watkin & Abhi Arunachalam

Subject: 2017 Indoor Cricket Code of Conduct

Date: Monday 10 April 2017

Dear All,

2017 will see the formalisation of the Cricket Australia (CA) Code of Conduct to incorporate indoor cricket for the first time. The revised code will be administered across all indoor cricket competitions including the Beastwear National Indoor Cricket League (NICL) & National Championships.

This is a significant step forward in aligning all CA competitions and ensuring the conduct of all participants & officials is at the level expected of Australian Cricketers. It will also provide the opportunity to educate players with essential information to aid their understanding surrounding the conduct standards required.

With the release of the revised Code of Conduct, CA have engaged a Match Referee to hear any Code of Conduct reports throughout any NICL or National Championship matches. This process will be managed by CA in consultation with the Match Referee.

All players & officials will be required to read & sign the Code of Conduct prior to participating in NICL and all National Championships via the online registration process administered by CA. The new Code of Conduct can be found online at www.indoor.cricket.com.au – National Championships – Code of Conduct. Please find attached a copy for your reference.

If you have any questions surrounding the above, please feel free to contact me.

Kind Regards,

SARAH HARRIS
GAME DEVELOPMENT EVENTS OFFICER
